## Notes to Financial Statements

December 31, 2014 and 2013

### 1. NATURE OF ORGANIZATION:

Livada Orphan Care, Inc. (LOC) located in Plano, Texas is a nonprofit corporation dedicated to making a difference in the lives of Romanian orphans and at-risk children. Livada is the Romania word for orchard. It serves as a symbol of the type of care that every vulnerable child needs and LOC wants to give through nurturing Romanian orphans and at-risk kids to bear fruit that will last.

LOC is affiliated with Fundatia LOC, a Romanian NGO (non-governmental organization), and a majority of activities are conducted through grants to its operations. LOC is committed to helping these wounded kids find their place in the world, through a blend of Christian social work, humanitarian aid, and ministry. LOC facilitates mission service trips to Romania and supports Romanian missions for orphaned children, primarily through Fundatia LOC. The services supported begin with nurturing orphans in the cradle, and ends with them becoming interdependent, contributing members of society.

LOC's missionary support is related to its Short Term InterNational Team (STINT) which consists of western missionaries. STINT works alongside the staff of Fundatia LOC to serve and minister to approximately 700 abandoned and at-risk Gypsy children in Mures County, Romania through various ministries such as Orphan Outreach, Prevention of Abandonment, and Cradle Care. The Orphan Outreach camps serve the majority of the children we reach on a monthly basis. The Prevention of Abandonment program ministers to Gypsy families. The Cradle Care ministry provides therapy to babies in the local hospital, and our group homes offer an alternative to traditional Romanian orphan care.

LOC was founded in 2001 by Bruce and Catherine Thomas, to nurture Romanian orphans so that they would be able to lead fruitful and productive lives. In 2002, LOC was incorporated, and gained recognition as a tax exempt 501(c) (3) organization by the IRS.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of LOC have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash in checking and savings accounts. These accounts may, at times, exceed federally insured limits. LOC has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### PROPERTY AND EQUIPMENT

Expenditures for property and equipment greater than \$500 are capitalized at cost. Donated items are recorded at fair market value on the date of the gift. Depreciation is computed on the straight-line method over the estimated useful lives of the assets. Estimated useful lives range from four to six years.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

#### CLASSES OF NET ASSETS

The financial statements report amounts by class of net assets:

*Unrestricted net assets* are currently available for operations under the direction of the board and resources invested in property and equipment.

*Temporarily restricted net assets* are stipulated by donors for specific operating purposes or for the specific programs of LOC.

#### SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when made, which may be when funds are received, unconditional promises are made, or ownership of other assets is transferred to LOC.

LOC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Gifts for child sponsorship are considered to be released when received and are reported with unrestricted support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Administrative assessments are included in net assets released from restrictions. Administrative assessments are set at 15% of the amount given for mission trips. LOC's policy is to record temporarily restricted contributions and net assets released from restrictions.

Expenses are reported when costs are incurred in accordance with the accrual basis of accounting.

#### FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Costs are allocated between program services, support services and fundraising based on management's judgment considering square footage used, time spent, or direct relation to the related services.

#### SPECIAL EVENTS

LOC hosts a special event each year called One Night One Child in which individuals from Romania are invited to share their story. For the year ended December 31, 2014, LOC had contributions totaling \$114,683 which was offset by event expenses of \$25,514. And for the year ended December 31, 2013, LOC had contributions totaling \$98,300 which was offset by event expenses of \$26,925.
